

My Honest Stars

Colour a star every time you choose to tell the truth, even when it feels difficult.

Examples: ★ I told the truth. ★ I admitted a mistake.

★ I kept a promise. ★ I was honest about my feelings.

★ I chose honesty over hiding.

"Being honest isn't always easy, but every honest choice helps us grow into someone others can trust—and, most importantly, someone we can trust ourselves."

Cosmic Wins

CW-STAR-R010

Helping children grow in confidence, belonging, and self-worth.
