

My Helpful Words Stars

Colour a star every time your words help someone feel encouraged or cared for.

Examples: ★ I said "Thank you." ★ I gave someone a compliment.

★ I used kind words. ★ I encouraged a friend.

★ I said "Well done!"

"Helpful words can help others shine.
They can stay in someone's heart long
after they've been spoken."

Cosmic Wins

CW-STAR-R017

Helping children grow in confidence, belonging, and self-worth.
